The Class of 1999 dedicates its yearbook to Mr. John Usher. His warm smile and cheerful disposition have made the students look forward to his days of substituting. He has taught us valuable lessons in everything from english and math to life. Although his time at Case has been short, Mr. Usher has given us, the Class of 1999, a positive attitude that we need to be successful in years to come.

Mr. Usher, thank you for your hard work and dedication. It will not be forgotten. You will be greatly missed.

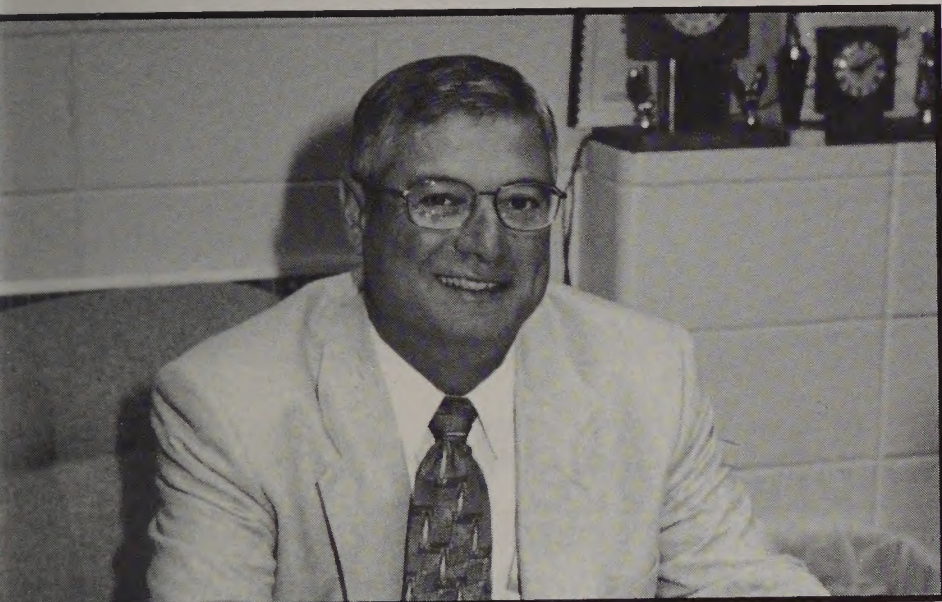

To the Members of the Class of '99

What began as a long journey through Joseph Case High School some four years ago has suddenly transformed into a race to graduation. This rush for the goal of graduating from Case High perhaps provides you with a meaning of the words of President Theodore Roosevelt who once said that, "Nine-tenths of wisdom consists in being wise in time."

We have tried to be wise in the time we have had you as a student in the Swansea Public Schools. Your many hours of study are about to culminate with your graduation. In the process of the years you have spent in the Swansea Schools, particularly at Case, we have exposed you to many ideas, truths and opportunities. The administrators, teachers, and staff at Case have worked hard to instill a pride, self-reliance and level intellect in you that will insure your future success. However, if nothing else, please remember the words of Thomas Jefferson who noted, I'm a great believer in luck and I find the harder I work the more I have of it."

Congratulations, good luck and best wishes for a long, happy, healthy and successful life as a graduate of Joseph Case High School.

Sincerely,
Kenneth J. Grew, Ph.D.
Superintendent of Schools

To The Class of 1999:

It seems impossible that four years have passed so quickly, but here you are ready to graduate. If you recall our first assembly this year, I told you that this year would fly by and it has. So much has happened and you have all changed and grown these four years. I hope you have as many fond memories as I do.

I have had the pleasure of getting to know many of you on a first name basis. It has been rewarding to see you at many activities either as participants or spectators. Joseph Case High School has started you on your pathway to career success and now you have to continue to accomplish your goals. As you graduate, you will encounter more challenges and new experience. The faculty of Joseph Case High School have prepared you well to meet challenges of the new millennium. Go forward into the next century knowing where you are headed and remembering where you came from. I wish you all the best.

Sincerely Yours,
Joseph D. Santos,
Principal

When I reflect on the Class of 1999, I recall your passionate interest in life to see that all individuals were given the freedom to be heard. I remember the energy, enthusiasm and the resourcefulness you expressed when given a task. Your class can be identified with an irrepressible spirit and a dynamic energy which has been transmitted to the underclassmen. Never lose the respect and good sense you have brought to Case High School. As you carry out your purpose in life, continue to be the strength for those in need and take time to relish in the noble spirit of humanitarian principles. While embarking on your new ventures, never forget your family, Case High School and the community of Swansea. All the above has provided you the opportunity to have the courage and vision to strive for your highest goal.

To the graduates in the Class of 1999:
"No person was ever honored for what he received. Honor has been the award for what he gave."

Class History

Freshman Year

We came to a brand new school, with colorful lockers, new teachers, new schoolmates, new activities, and new sports teams. Our advisor was Mr. Conforti and our class officers were president **Katie Lamonde**, vice-president **Drew Dubois**, secretary **Lyn Soderlund**, and treasurer **Sheela Agrawal**. We have our first Semiformal and it is a great time. Softball wins the States and the Drama Club makes it to the States with their production "We Will Remember." We all remember Mr. Vogler's New York trip and OJ's verdict ("The Juice is Loose") running through the halls. "Chicken Nugget Day" stampedes will become a four year ritual. One year gone and three to go ... it wasn't that scary after all.

Sophomore Year

We have a new advisor this year as Ms. Downey (a.k.a. Mrs. Torres) takes over and the Executive Board has a new look, too. **Janine Carreiro** is our president, **Drew Dubois** is the vice-president, **Lyn Soderlund** is the secretary, and **Sheela Agrawal** is the treasurer. There is bad news across the nation to begin the year as TWA Flight 800 crashes going to France and there are bombings at the '96 Olympics in Atlanta. The bad news in the halls of Case High are activity and sports fees. The good news is the softball team are the state champions again. This is our second state championship of the year as the volleyball team won it in the fall. We have to say goodbye to Miss Stanton as she retires from coaching volleyball. Boy, are we going to miss her! Drama goes to States again with their production "Kentucky Cycle." Case has its first golf team. The Iberian Club is off to Portugal and the Mediterranean Club travels to France and Italy. Another year of memories flew by once again.

Class of 1999

Junior Year

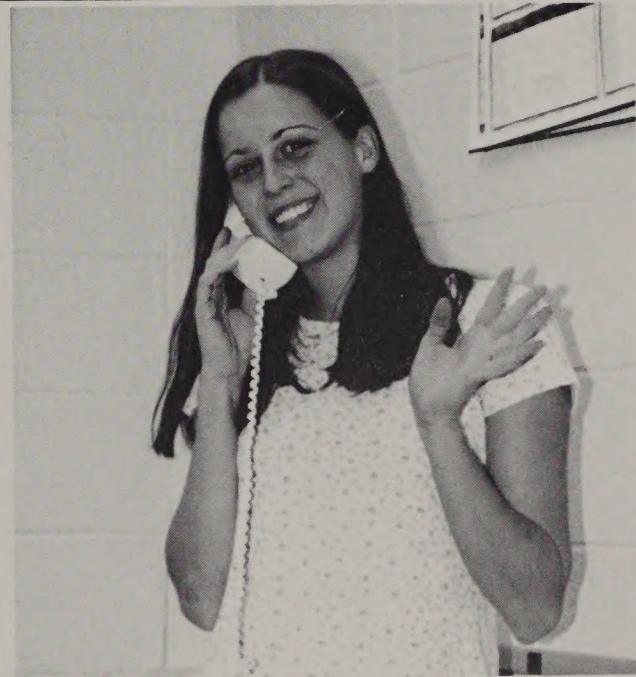

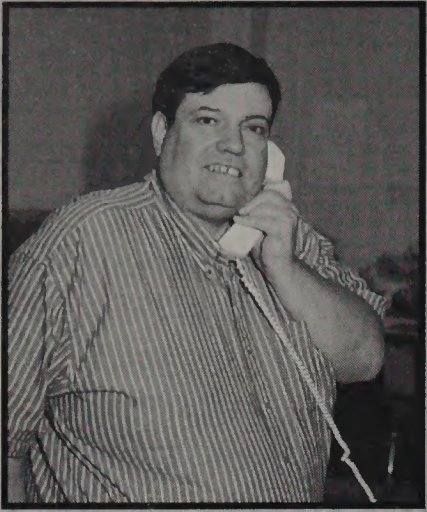

Mr. Marcello is our advisor this year and our junior officers are president **Janine Carreiro**, vice-president **Clare O'Brien**, secretary **Lyn Soderlund**, and treasurer **Jenn Zolnierz**. The world is in mourning as Mother Theresa passes away and we lose Princess Di in a senseless car crash. We are all getting our licenses now, and we love the freedom that comes with it. If only we didn't have to work all the time so we could afford our "wheels." The "Bubble" is here with fewer studies and more class time. There is also a new wall in the Library and yet another computer room. Mr. Medeiros' hair grows as the teachers wait for a contract. The girl's cross country team is undefeated SCC champs and **Sheela Agrawal** runs in Orlando and finishes 22nd in the nation. She tops that in winter track by winning the State championship in the two mile to become the first Case athlete to win an individual state championship. We take our PSAT's in the fall and the SAT's in the spring. Case is the first school in the U.S. to do "Blood Brothers", and it is a smashing success. The Drama Club is off to England and the Mediterranean Club goes to Canada. We host the Junior-Senior Prom at the Venus and decorate the gym for the After Prom. We had a full year of memories again but we are all looking forward to . . .

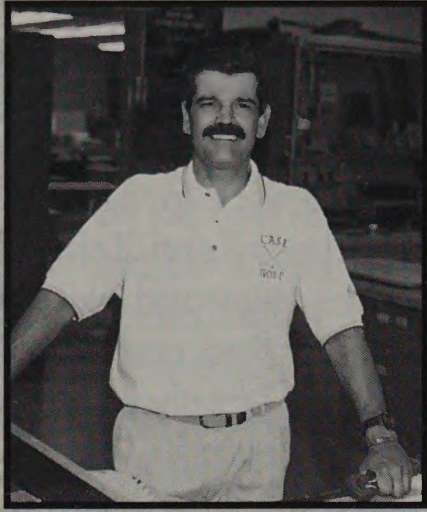

Senior Year

Mr. Noble is our senior class advisor and the class officers remain the same with **Janine**, **Clare**, **Lyn**, and **Jenn Z.** ready to lead us through our big year. Clinton/Monica and Maguire/Sosa talk are dominating the airways, but we are thinking about college applications, fighting "senioritis", and all those senior activities. **Sheela** earns "All America" status as she finishes 11th in Orlando. The Navy Band visits us in the fall, and now we know what school should be like all the time! Homecoming is reborn at Case with a Friday night dance and a horse and wagon parade the King, **Kyle Stone**, the Queen, **Jill Thurston**, and their Court around the football field at half-time at Saturday's game. Spirit Week is rocking as the seniors dominate the Penny War and we get to watch Mr. Gibeau "kiss the pig." Finally, "17-16" gives us the perfect ending to the week. The great times continue with the Semiformal (except that the pictures were ruined), our Prom at White's, the Bay Queen, Class Night, and finally Graduation. As our graduating class closes out the millennium in style, we are sure that Case High, "saved the best for last!"

FOR THE BEST!

SENIORS '99

Put Your Best Foot Forward

Cross Country

As I look back on my past 4 years of cross country, I see many victories, a lot of courage and most of all a lot of fun! My freshman year started with a new coach and 7 girls with a goal of an undefeated season. My junior year with 6 girls finally made the goal a reality. Four years, 33 wins 8 losses with 1 undefeated season(12-0). We accomplished getting the sportsmanship award 3 years in a row and 2 girls who received the Chapman Award (Danielle Pelletier and Kathy Wilson). The award is given to a 4 year runner who shows sportsmanship and leadership. Our team also has a spectacular runner, Sheela Agrawal. Sheela achieved many goals where she was 4 year SCC Champion, 5th in the state her freshman year, 2nd the next 3 years. She was a 2 year footlocker finalist finishing 22nd and 11th respectively at Nationals. Sheela was also 5th in the nation in the 2 mile for winter track.

This year's team was composed of 6 talented girls; 4 seniors and 2 sophomores. The 2 other seniors were Rachel Sugal and Lee Stanish. Both gave 100% to the team and they always had a great attitude. Lee had a stress fracture last spring which she had to tend to all XC season but she went through the pain, worked hard and had a real good season. Rachel had many good races and went anywhere from 3rd on the team to 5th, going back and forth with Lee and Bernadette Fam. Bernadette took over Amy Blackburn's place last year giving us a very solid 3rd spot. She was 10th at the SCC meet, and received All-Star Honors. Steph Soares was our 6th runner who improved all year. She worked very hard and will be a strong runner next year. These girls have given memories which will last a lifetime. We thank them all and We wish Bernie and Steph Good Luck for the years to come.

Even though there were 4 guys on the Boys Cross Country Team, they worked their hardest at every race. The team was lead by Chris Kirkman, a sophomore, followed by Eric Robbie (freshman), Nick Braga (freshman), and Frank Bragantin(junior).

Shannon Whalon

The 1998 Field Hockey season was led this year by first time head coach Kelly Roy, and team tri-captains Laura Paul, Sue Riley, and Tami Abdow. Defense was lead by seniors Tami Abdow, Rebecca Powers, and Shannon Whalon while offense was lead by Sue Riley and Laura Paul. Jess Fortin and Laura Paul were chosen as SCC Allstars and Julie Nunes and Amanda Vasconcellos were awarded with honorable mentions. The MVP award went to Laura Paul and Sue Riley received the coaches award. The season's high lights included double wins over Fairhaven and the Somerset night game. To all the underclassmen, good luck and never give up.

Girls Soccer

The Case Girls' Soccer Team proved successful this season, earning their first trip over to the state tournament. The dedicated girls achieved an impressive record with a young but strong team. Sarah Tunney and Clare O'Brien started off their freshman year when the team was born at Case High. They continued their hard work and dedication through out their four years, and became the co-captains of the 1998 team. Best wishes to the future girls' soccer teams.

Dan Zolnierz

While the 1998 soccer season fell short of its goal to reach the state tournament, the season was still memorable. When the Case team took the field, every member of the squad gave his best effort. The team stuck together throughout the season and its true character emerged as it made a strong finish.

All who followed the team will remember the seniors and the contribution that they made. Steve Moniz on defense clearing the ball, Drew Dubois controlling the mid-field, Daryl Soares making his sprints from right half crossing the ball to Mike Tavares. The seniors wish the returning players success as they build on the solid foundation that the 1998 team established and the underclassmen wish the ongoing seniors success on their future plans.

Volleyball

The Seniors

It was a season of learning for this year's varsity volleyball team. Under yet another new coach and outstanding pressure, the Lady Cards came out with a 13 record. Despite some heartbreaking losses, we managed to pull together when the Cardinal pride was on the line. We laughed together, we cried together, and we made plenty of memories.

Now we can't forget: the Hustle; PST; Papa Gino's before every game; honking at the football practice; tent party; bus stories; all the tears; getting locked in the room; the pulse, and "This is what we're here for."

Cheering

The 1998 football Cheering squad got off to a rocky start, but came on strong in the end. The squad was led by coach Nancy Martinho and co-captains Lyn Soderlund and Steph Cookson. We'll never forget: the scavenger hunt, the MANY injuries, football dinners, "GUYS!", Nancy's silly expressions, "this IS the rally", all of our weird ideas, the comeback during the Thanksgiving rally, "my pet smell", singing on the bus, all of our "critics", the O-R victory, and most of all: NOVEMBER 26, 1998, Thanksgiving Day, when we cheered the guys to victory over Somerset, 17-16. Thanks for the memories.

FOOTBALL

This year's football season was an exciting season on which started off rocky but ended with the 49er Trophy. Our goals for the season were to be above 500 and to beat Somerset. Both of these goals were met with the comeback from behind victory over Somerset. Case scored 14 points in the last three minutes to capture the lead. That well exemplified everything we stood for, never giving up, toughness, and determination. The win validated a quote we had lived by all season "Attitude is Everything".

The season was highlighted with a 34-0 victory over Apponequet, a 16-13 comeback win over ORR and of course the 17-16 victory over Somerset that brought the trophy home. This year's award winners were Sean Scanlon (captain) - Most Valuable Player, Cariglia award; Otto Graham award, SCC all-star; Jason Pereira (captain) - Norman E. Ashley award, SCC all-star; Kyle Stone - coaches award; Tim Kearns - coaches award; Rich Ponte - sportsmanship award; Justin Tourangeau - sportsmanship, SCC honorable mention; Jordan Bonanca - SCC honorable mention.

This season was one to remember. We were able to reach a goal that hasn't been met in six years. In our final meet of the season, we scored a 120. We finished the season with a record of 4-3 and also finished third in the league.

Hockey

Although our record did not show it, the 1999 hockey team played hard all year. With the limited number of players, every member had their work cut out for them. Senior Kyle Stone and Junior Capt. Jack Downes were selected to the SCC All-Star team with Senior Capt. Chris Phenix and Sophomore Wayne Homol named as honorable mention. Junior netminder Jim Fonseca had a good year having to stop up to 65+ shots in one game. Downes ended the year with 14 points and Homol had 13 points. Look for the 2000 team to make a strong rebound from the past years.

The 1998-1999 girls' basketball team finished with an 8-12 overall record. About 6 games into the season, we were hit with a few that left us with an incomplete team when we needed wins. Despite these obstacles, the team played hard until the end just missing state tournament. Congratulations on a great season. Award winners were: Lyn Soderlund-Coaches Award, SCC All-Star, Dave Cowens Award Nominee. Marisa Medeiros-Coaches Award, SCC All-Star honorable mention. Lauren Johnson-SCC Sportsmanship Award.

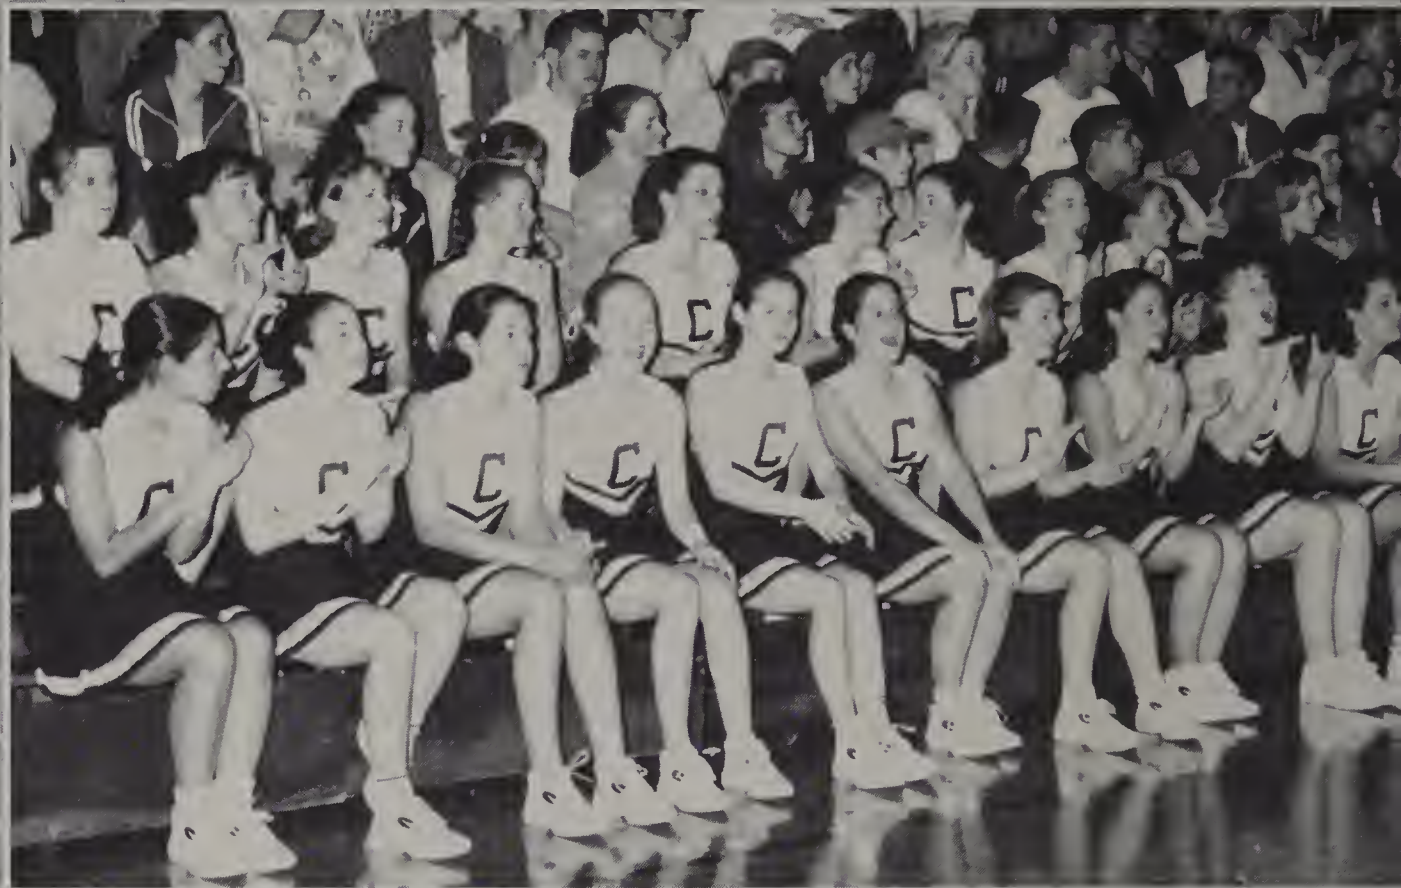

1st Row: (L to R): Christopher Higgins, Sean Scanlon, Co-Captain Jordan Silva, Co-Captain Douglas Furtado, Ryan Tooley, Jeffrey St. Yves. 2nd Row: Coach Bruce Cookson, Michael Gunn, Matt Mancini, Derek Woollam, Zack Lake, Timothy Furtado, Kevin Gendreau, Andrew Dubois

Boys Basketball

Captains for the 1998-1999 season were Jordan Silva and Doug Furtado. A slow-starting season forced us to work harder and ended up winning the last 4 out of 7 games. Nail biting wins included the NECA away game, the NB Voke home game, and the miraculous 58-56 win against arch rival Somerset in a rowdy Raider gym. We concluded the season with a strong win over a 14 win Bourne team. Award winners are the following: Sportsmanship-Jeff St. Yves, Coaches Award-Jordan Silva, American Legion Post 303 MVP Award-Doug Furtado. Also going to the All-Star game in Bourne are free throw shooter Ryan Tooley, 3-point shooter and Honorable mention Sean Scanlon, and 1st team All-Star Doug Furtado.

Although this season had its disadvantages, as captains, we were proud to see our squad grow and learn from them. The lack of authority at some practices brought our squad together, helping us to work harder, and become friends. Pulling together in the final moments for comps. proved to our squad and us as captains that we had the talent and dedication that a squad needed. Though we may not have placed at comps., it was a learning experience that the girls will carry on to future competitions. And anyway, we know we belonged.

The Seniors

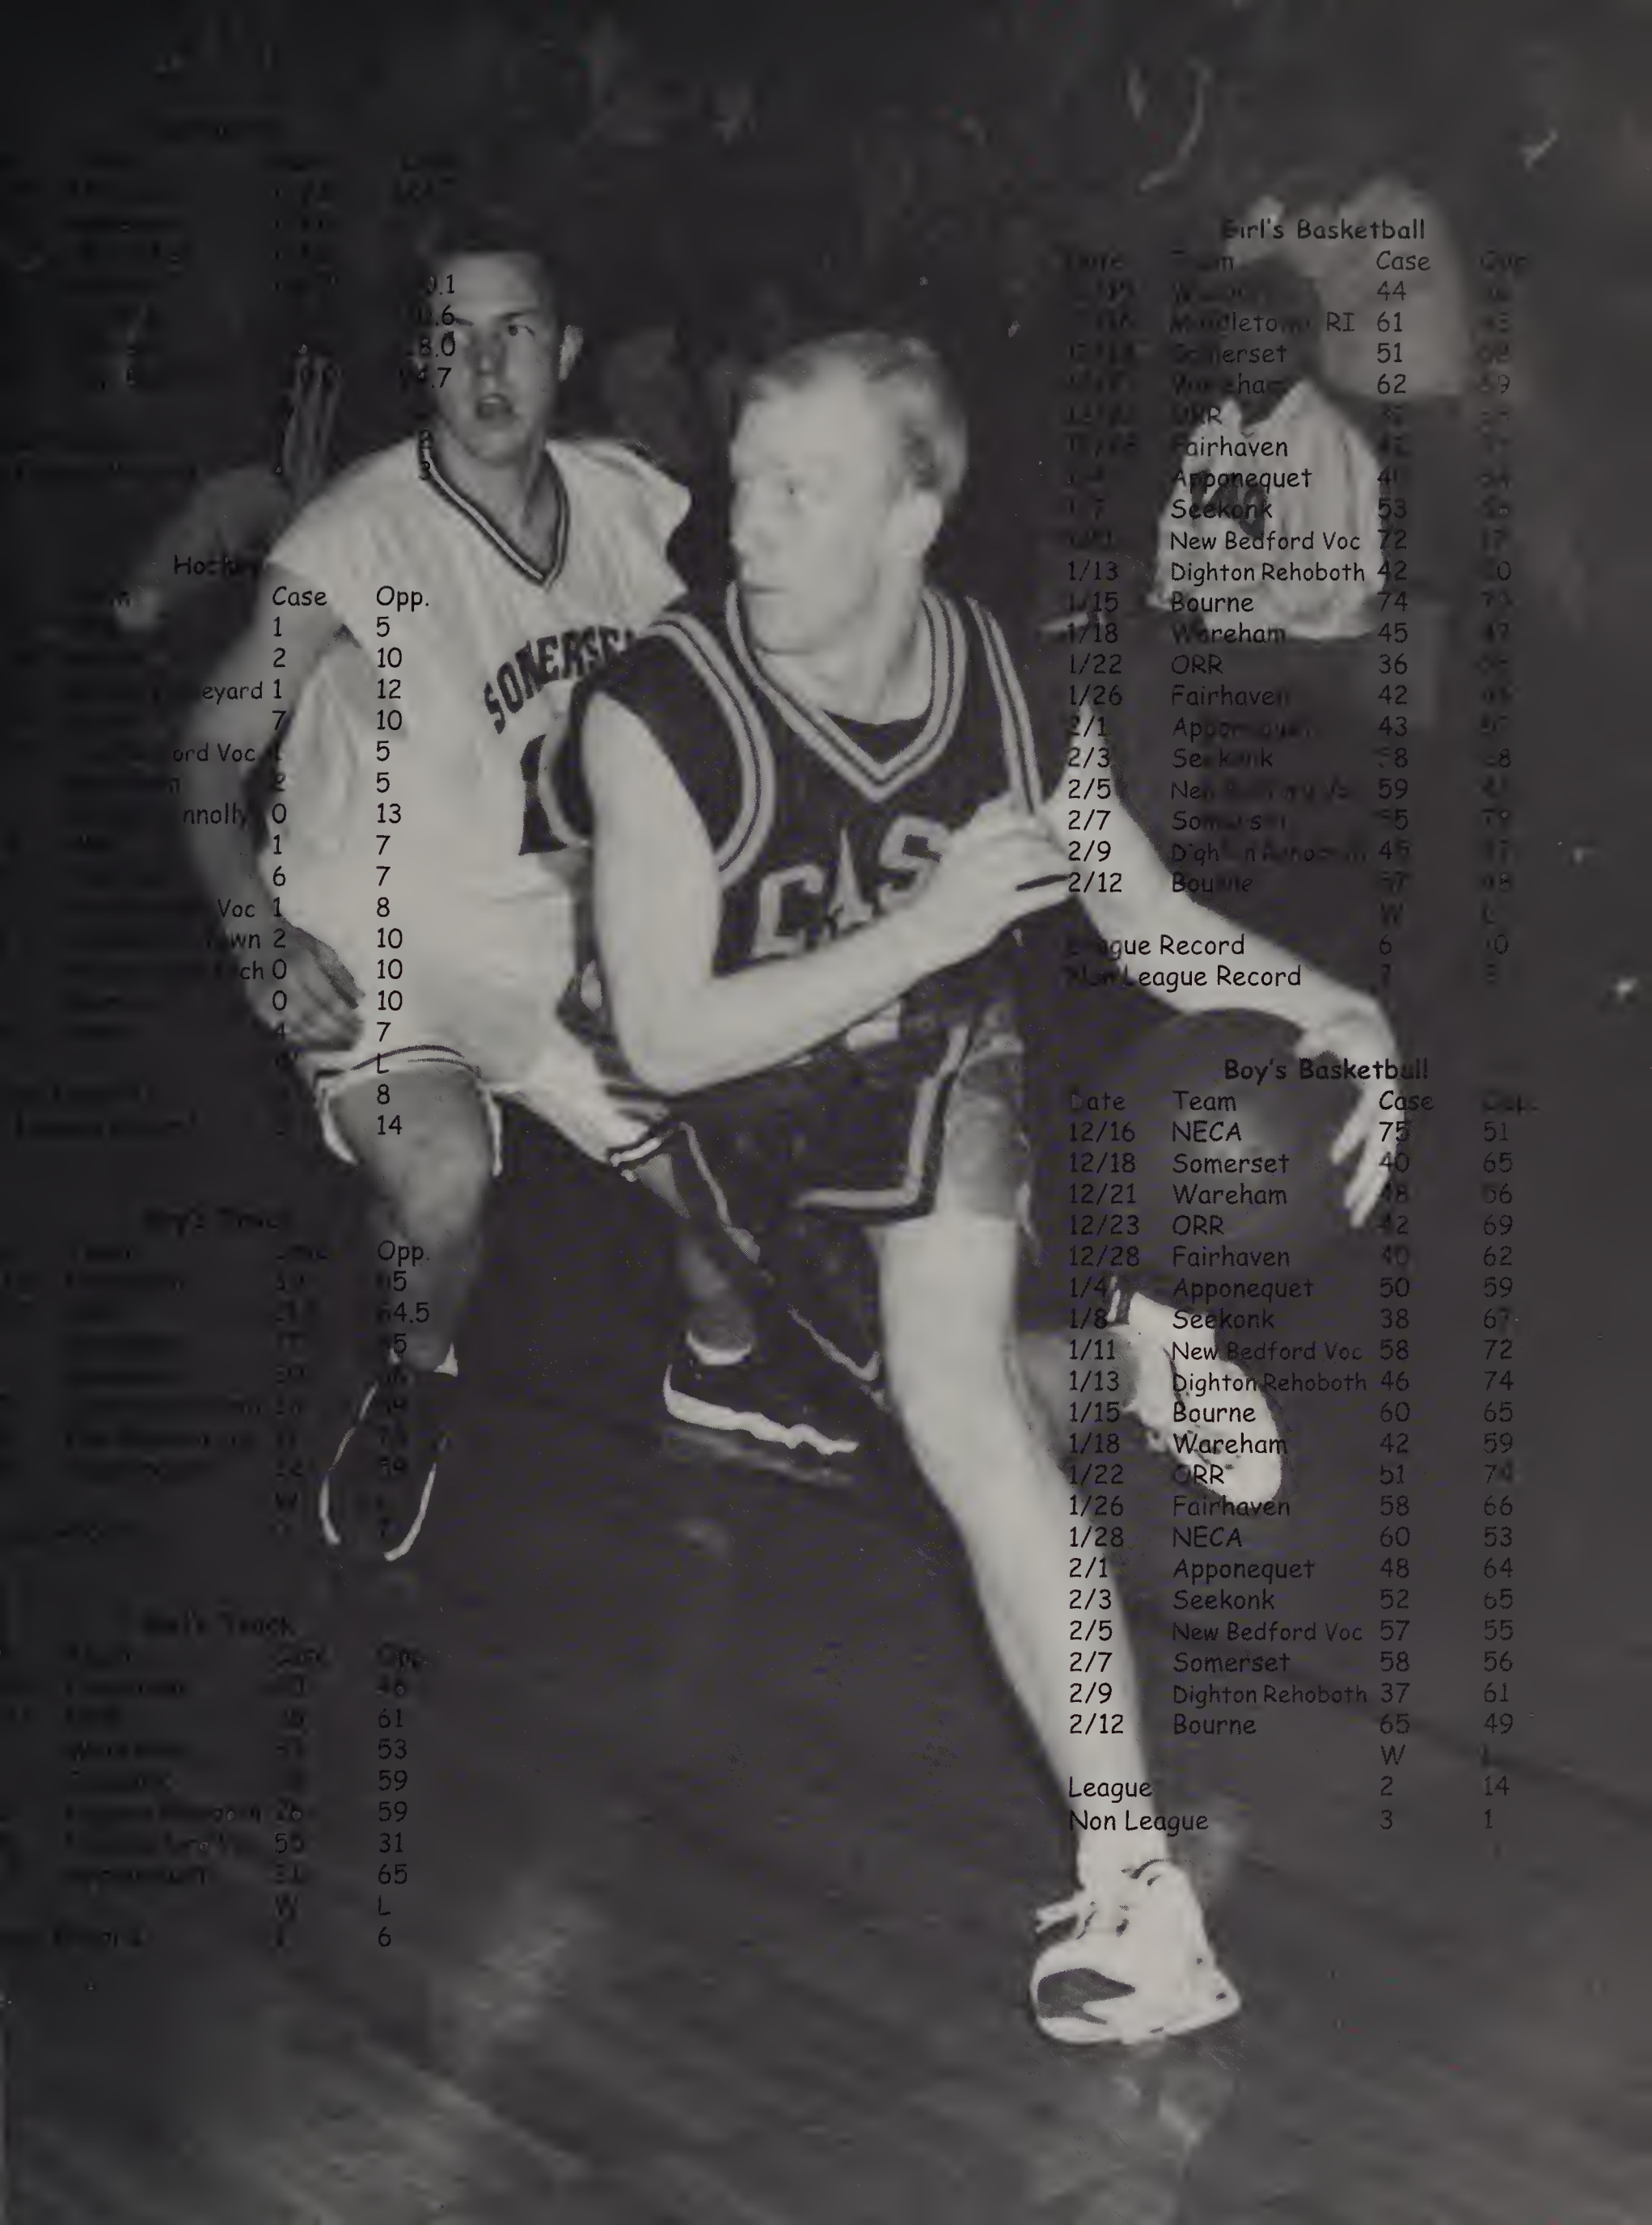

Girls Winter Track

The Girls Winter Track team consisted of 4 seniors, 2 juniors, 3 sophomores and 9 freshmen. Our 1-7 record wasn't bad considering we are a young team. The top scorers were Kathy Wilson, Rachel Sugall, Caroline Stanko. Trish Costa, Jenn Zolnierz, and Jen Murgio were also point setters for our team. We, the captains, would like to wish the underclassmen lots of luck in the years to come.

Boys Winter Trac

With a limited number of boys on the 1998-99 winter track team, the season was a rebuilding one. The team consisted of 2 seniors, 2 juniors, a sophomore and 7 freshmen. Although it was a losing season, the team set personal records in every meet. We excelled to our best and most cases succeeded. The seniors wish next years team great luck.

With many hours spent putting this memorable book together we have proven that hard work and dedication can accomplish any goal. It was not easy, as many obstacles had to have been overcome. As editors of the yearbook, we have to thank all of the people who have helped us through the deadlines, making this yearbook one of the best ever. As the time grows near graduation, our 4 years in high school will be over with only our memories remaining. We may never see some of our classmates again, but that doesn't mean that we are not a family. We are all connected in a fine web known as the Class of 1999, the last high school senior class of the 1900's. We hope that you will always enjoy the memories we have recorded in our yearbook.

Katie and Kurt

I am 13 years old now. I think I am old enough to start making decisions that affect me. What it all comes down to is this, it is really important to me that i cut my hair. I need a little change in my life. Please allow me to cut it to at least the middle of my back. Keep 2 things in mind;

- 1: It will make me very happy.
- 2: It will always grow back.

If you let me fulfil my wish I will never bother you for another thing again.

I love you very much.
